2. Approval of Minutes: by pass until next meeting
3. **Gold Cross Ambulance:** This Company will now serve our activities for free. They will be posted here during events until they get a service call, then they will have to leave. Ben has contact information. They need notified for each event. This will be nice since we have not had this service for a while.
4. **Budget**
  - 4.1. Roy has \$1000 to support the new category supporting teacher technology.
  - 4.2. We had an opportunity to strengthen concurrent enrollment and CCR by having Devany Pace teach CSIS 1000. This would make Devany full time. CSIS 1000 will begin next fall. This increases the amount of teacher/student ratio, without increasing the amount of students. In order to help this happen he asks that Community Counsel support this new class. It will take \$3000. This will come from the 2016/17 plan. It will be available to all age appropriate students in the elective class time slots, for college credit or not. It will also help in the online class opportunities. Our discussion lent support to his idea.
5. **New Business**
  - 5.1. Feedback on Thanksgiving. It turned out really well. A good feeling and activity. Turkey was a little dry, LOL. Good student involvement, friendly atmosphere.
6. **Comprehensive Guidance/Advisory Committee**
  - 6.1. It is suggested that we extend Cool2Care cards to police officers. Could help the public relations between law enforcement and students. Also have our school officer give more Cool2Care cards.
  - 6.2. It is now time to communicate with the city about the contract for our school officer. Roy will follow through with this.
  - 6.3. Sponsored Activities:
    - 6.3.1. Financial Aid night.
    - 6.3.2. Senior Tour.
    - 6.3.3. HOBE Leadership in May.
    - 6.3.4. PSAT test in October.
    - 6.3.5. Daughters of the American Revolution chose Brandon Robinson as our "good student" and will participate in scholarship contest.

6.3.6. Work with eighth grade "4 year plan" is beginning.

6.3.7. Utah College application week. 39 seniors filled out 99 college apps.

**7. Member Comments**

7.1. Patti had a few people express concern about soccer. The coach resigned on his own with no problems or pressure involved. This needs to be stated. Roy has applicants coming through now. The soccer programs are not in trouble.

7.2. Ben thanked us for our time and support of our school

7.3. Ben said that the Youth City Council is doing great. He then showed us the "Parowan commercials", this was done by the marketing class at SUU. 5 videos were done. They were really positive and the students evaluated them. They will then go to the Youth Council and then to the City Council.

**8. Public Comments.**

8.1. None.

9. **Adjournment:** 4:04 Motion: Ava/2<sup>nd</sup>: Patti. Motion approved.
