3. **Budget**
 - 3.1. School Land Trust Budget Review.
 - 3.1.1. Roy may have over allocated some money, if this is the case and there is a carryover he may apply it to the purchase of Chrome books as previously discussed.
 - 3.1.2. The goals to govern our budget for the upcoming year are as follows:
 - 3.1.2.1. Organize an effective MTSS Remediation Program for tier 2&3 students. We can see positive results (due partially to our efforts) in the fact that we only had 4 academically in-eligible students this quarter and 30 percent of the students had 4.0 grade averages.
 - 3.1.2.2. We will see a 5% increase in the students who meet or surpass the state and national benchmarks of proficiency in Math, Science and Reading/English, as measured by the ACT and Sage testing.
 - 3.1.2.3. Program tools for achieving these goals will be the Learning Center, Math tutors, learning structures, classroom reduction aids to help with the large seventh grade classes next year. We would also like to add another cart of 40 Chrome books.
- Motion to approve: Janice 2nd: Patti Approved

 - 4.1. Do we have an honor roll? And is it posted? We do not post honor roll GPA's due to privacy issues. But we do reward them with ice cream, induction into the Nation Honor Society and honor programs for the seniors.
